### **Angelle Leonard- 2008 [angelleleonard@yahoo.com](mailto:angelleleonard@yahoo.com)**

Well hello everyone!!! I have journeyed a couple of states the past few years since graduating FRA. I interned and then worked at a Christian Boarding School for teen girls who need healing. That was a LIFE changing experience. I stayed there for nearly two years doing whatever was needed, while learning what it's like to be in full-time ministry. I was accepted to attend Rhema Bible Training Center located in Broken Arrow, OK., where I will be specializing in Children's Ministry!!! I really feel that God has placed on my heart to minister to children. They are so precious, and yearning for someone to reach out to them in love. I believe if we can reach them while they are young, they will have a FAR greater chance of staying in relationship with Him when they are in adulthood! God Bless.
