

2013-2014 School Year

Attention Parents of Children entering the 3 year old program, Pre-Kindergarten, Kindergarten:

You will be assessed an additional fee during your registration to purchase snacks for your student. We will no longer make a snack calendar allowing parents to bring snacks from home monthly or bimonthly. All snacks will be provided by our school cafeteria and will be in compliance with the nutritional guidelines set forth by our school food program.

The cost of these snacks for the year is \$210.00. You may elect to pay for this one of two ways:

Option #1- pay the amount of \$210.00 in full no later than August 1, 2013.

or

Option #2- pay the amount of \$105.00 no later than August 1, 2013 and pay the amount of \$105.00 again, no later than January 1, 2014.

These snack accounts will be separate from your child's lunch account. Two separate checks must be written for snack and lunch/breakfast. Please make a **snack memo** on your check including your child's first and last name.
