AT LARGE

All Areas

3 board members elected At Large to 3 year staggered terms. However, in the 1999 election – one would run for a 3 year term; one would run for a two year term; and one would run for a 1 year term. Starting with the 2000 election and every year thereafter, only one At Large election for a three year term.

The above stated proposal would retain the same number of present board members, spread out the representation, create greater continuity (experienced board members), and every family would have 5 members representing their interest rather than the current 3. This should eliminate areas of over representation and satisfy the areas currently under-represented.
