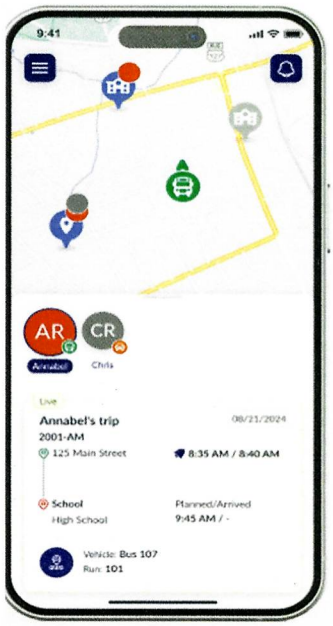
FIRSTview

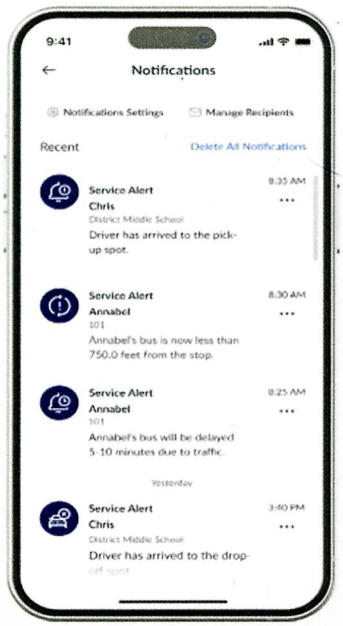
2026-2027 School Year

Catholic of Pointe Coupee

False River Academy

District Code: S0E8N





First View for parents and caregivers

For K-12 parents and caregivers, we understand the importance of a stress-free school commute. First View, our easy-to-use GPS-based vehicle tracking app, allows you to plan your day and stay connected with your student's trips, regardless of the type of vehicle your student travels in.

With First View, you can:

- See near real-time vehicle location through GPS and track its progress.
- Quickly access updates and vehicle details for each trip.
- Set up family members and caregivers to receive customizable trip update alerts and emails.
- Easily monitor multiple students, including yellow school bus and alternative transportation journeys.
- Receive instant notifications and service alerts from your district.
- First View is available as a user-friendly mobile app for both Apple and Android devices.

Download the First View mobile app

First View is available in the App Store or Google Play.

Stay up-to-date as we're continuously rolling out new features and updates to the First View mobile app and dashboard.
